

The background of the slide features a light gray gradient. Scattered across the surface are numerous realistic water droplets of varying sizes, some with soft shadows. A large, faint, circular, textured pattern is centered in the upper half of the image, resembling a ripple or a lens flare.

**AUTO BODY
WORKS**

State-of-the-Art Repair Technicians...

Here at "Auto Body Works" we want to give you the peace of mind that comes from knowing your vehicle is in capable hands, and the assurance that it will be completely restored to its original performance and beauty.

Integrity...

is the difference between a car that performs like new and one that just looks like it. Though we meticulously restore your vehicle's original factory appearance, we are committed to delivering more than just a "cosmetic makeover".

On time delivery guaranteed or we will supply a rental car* from a guaranteed date to actual completion date. We'll repair your vehicle so it once again meets factory specifications. Once the repairs are complete you can be as confident of your vehicle's performance as you were the day you bought it.

Our technicians are committed to quality and have the skills necessary to deliver just what they promise. Each of our technicians has completed extensive training and with hard-earned expertise in modern repair technology, each one is qualified to restore your vehicle to pre-accident condition. Once your car is as good as new again, we want to make sure you are happy with the services performed. Each person who played a part in restoring your vehicle is dedicated to quality results. If we have failed to meet your expectations in any way, please let us know. We would like to be the first to know of any problems you may experience, and make it right for you.

LIFETIME WARRANTY

We take great care to ensure that every repair meets our exacting standards for quality.

As a result, we guarantee all work performed and all parts installed by Auto Body Works for as long as you own your vehicle.

We stand behind the quality of our work and we'll provide you with a written warranty to prove it.

DIGITAL

The background of the slide is a light gray gradient. It is decorated with numerous realistic water droplets and bubbles of various sizes. Some are clustered in the top left corner, while others are scattered across the bottom right. The droplets have highlights and shadows, giving them a three-dimensional appearance.
